### Personal Payment Methods

VCU accepts payments by cash, credit cards, and check (paper and web/electronic). Students and authorized users are encouraged to pay online through the VCU Billing and Payment Site. Credit cards accepted are VISA, MasterCard, Discover Card, and American Express. A nonrefundable convenience/service fee of 2.95% (minimum of \$3) is charged for all domestic credit card payments or a fee of 4.25% (minimum \$3) for all international credit card payments. Credit card payments may only be made online. Cash or paper check payments may also be remitted to the VCU Cashier's Office located on the first floor of Harris Hall. Paper checks may be mailed to the Cashier's Office at the following address:

VCU Cashier's Office

The student's name and V number must be included in the memo section of all paper check payments. Additional payment information is available at <https://sfs.vcu.edu/billing-and-payments/>

### Installment Payment Plan (IPP)

VCU's Installment Payment Plan allows students to divide their remaining out of pocket balance (the estimated balance from line 10) into four installments paid throughout the semester. The IPP is only available in the fall and spring semesters. The cost for the IPP is a non-refundable \$25 application fee, which is submitted along with the first payment of the semester. VCU does not assess interest on the installment balance. Students must enroll in the payment plan within the enrollment period, and students must re-enroll in the payment plan each semester. Both the initial payment and completion of the online application at <https://sfs.vcu.edu/billing-and-payments/installment-plan/> are required in order for the student to participate in the IPP. Students must make their required installment payments by the billed payment due dates in order to remain in good standing with VCU.

When are the installment due dates for the 2023-2024 academic year?

	Fall 2023 Semester	Spring 2024 Semester
Enrollment Period	August 1 – September 21	December 15 – February 22

### Additional Financial Aid Resources

**The VCU Office of Financial Aid does not have additional grant or university scholarship funds available to students.**

#### External Scholarships:

Thousands of scholarships are available from sources outside of VCU. These websites may help to identify some of these opportunities:

### **Federal Parent PLUS Loan:**

Dependent undergraduate students requiring additional funds to pay their balance may consider the federal Parent PLUS loan. Parent borrowers must complete the application online at <https://studentaid.gov>.

To borrow a PLUS loan for a student, the parent must be the student's biological or adoptive mother or father. A stepparent is also eligible to borrow a PLUS loan if his or her income and assets were considered when calculating the dependent student's expected family contribution (EFC) on the FAFSA. A legal guardian is not considered a parent for federal student aid purposes.

Parent borrowers will be required to pass a credit check. Borrowers with adverse credit history or who have filed bankruptcy in the past may be denied the PLUS loan. Borrowers who do not pass the credit check may still be able to receive a loan with a creditworthy co-signer. Additionally, if a borrower does not pass the credit check, the student may be eligible for a federal direct unsubsidized loan. The maximum amount of the federal direct unsubsidized PLUS denial loan is \$4,000 for freshman and sophomore students.

### **Alternative Loan:**

Alternative loans are designed to help students and their families cover costs not included in their federal financial aid package. Interest rates, repayment terms, loan limits, eligibility and co-signer requirements and loan fees vary by lender. Loan approval is generally based on creditworthiness and ability to repay. Interest rates are typically higher than federal direct loans.

When applying for an alternative loan, students should understand the terms of each loan and ensure that they are applying for an alternative loan, not a federal student loan. Students are automatically considered for federal direct subsidized and unsubsidized loans when submitting the FAFSA. The VCU Office of Financial Aid recommends that students explore all federal student aid options prior to applying for private loans.

### **The eStatement (Student Bill):**

VCU does not issue paper invoices. Students will be sent an email notification to their VCU email address when a new invoice (eStatement) has been issued. The email is the notification that the bill is available; it is not the invoice. Students should view their detailed eStatement in the Billing and Payment Site (accessed from the myVCU portal homepage). Failure to acknowledge and review the eStatement does not relieve responsibility for timely payments.

Students may assign a parent or another individual as an authorized user in the Billing and Payment Site (students assign authorized users access through the Make a Payment option in eServices). Instructions are available at <https://sfs.vcu.edu/billing-and-payments/>. Authorized users are also sent email notifications when a new invoice has been issued; they may view billing information; and they may make online payments on the student's behalf. Authorized user access is separate from the FERPA Consent Authorization. Completing the FERPA Consent Form will not provide access to the Billing and Payment Site.

### **Past Due Account Balances:**

VCU does not cancel classes if payment for the semester is not received by the start of classes. However, any student's whose semester balance is not paid in full or enrolled in the Installment Payment Plan (IPP) within the enrollment period will have a hold placed on their account. Students with a hold placed on their account and will:

- Not be allowed to register for future classes
- Not be allowed to receive their diplomas
- Not be issued official transcripts of grades or grade reports

Students whose payments are received after the payment deadline may be assessed a late fee, which is 10% of the unpaid balance, up to \$100. Past-due accounts will be referred to the VCU Collection Unit. An additional fee of 15% of the outstanding balance will be assessed immediately upon referral to the VCU Collection Unit. Pursuant to Sec. 2.2-4805 et seq., of the Code of Virginia, and in accordance with the rules and regulations promulgated by the state comptroller and attorney general of the Commonwealth of Virginia, VCU will charge interest, costs and fees on all past-due accounts.
